In the Matter of:

THE NOTICE OF PURCHASED	)	
GAS ADJUSTMENT FILING OF	)	
EAST KENTUCKY UTILITIES,	)	CASE NO. 9545-J
INC.	)	

O R D E R

On September 25, 1986, the Commission issued its Order in Case No. 9545 approving certain adjustments and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On April 13, 1989, East Kentucky Utilities, Inc. ("East Kentucky") notified the Commission that its wholesale cost of gas was decreased by its supplier, Kentucky West Virginia Gas Company ("Kentucky West"), effective March 1, 1989, and submitted with its notice certain information in compliance with its purchased gas adjustment clause on file with this Commission.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

(1) East Kentucky's notice of April 13, 1989 set out certain revisions in rates which East Kentucky proposed to place into effect, said rates being designed to pass on the wholesale decrease in price from its supplier in the amount of \$38,669 or 30.41 cents per Mcf.

(2) Kentucky West filed an application for decreased rates to be effective March 1, 1989 with the Federal Energy Regulatory Commission.

(3) East Kentucky filed Case No. 9545-K on April 13, 1989 notifying the Commission that its wholesale cost of gas was decreased by Kentucky West effective April 1, 1989. Therefore, East Kentucky should report to the Commission the amount of excess revenues collected from March 1, 1989 to April 1, 1989, along with a refund plan.

(4) East Kentucky's adjustment in rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 9545 dated September 25, 1986 is fair, just, and reasonable and in the public interest and should be effective with gas supplied on and after March 1, 1989.

IT IS HEREBY ORDERED that:

(1) The rates in the Appendix, attached and incorporated hereto, are fair, just, and reasonable and are approved effective with gas supplied on and after March 1, 1989.

(2) Within 30 days of the date of this Order, East Kentucky shall file with this Commission its revised tariffs setting out the rates authorized herein.

(3) Within 30 days of the date of this Order, East Kentucky shall report the amount of excess revenues collected, along with a refund plan.

Done at Frankfort, Kentucky, this 24th day of April, 1989.
